ANIMESH PRAKASH
FULL-STACK WEB DEVELOPER AND PROGRAMMER
animeshp1607@gmail.com | +919871752660 | https://github.com/Animesh-Prakash

SUMMARY

Full-Stack Developer with expertise in the MERN stack and strong knowledge of Data Structures and Algorithms. Skilled in building scalable, user-friendly web applications with clean, efficient code. Currently advancing skills in Java and passionate about solving complex problems.

EDUCATION

Diploma in Computer Science   **Aug 2023 - June 2026**
Guru Nanak Dev DSEU Rohini Campus

Class 12th   **April 2024 - March 2025**
National Institute of Open Schooling

Class 10th   **April 2022 - March 2023**
Kendriya Vidyalaya Shalimar Bagh

SKILLS

- **Web Development:** HTML, CSS, JavaScript, React, Tailwind CSS
- **Backend Development:** Node.js, Express, MongoDB
- **Programming Languages:** C, C++, Java, Python
- **Version Control:** Git, GitHub
- **Data Structures and Algorithms**

PROJECTS

BrainHaven - Collaborative platform for coders and learners
A platform built with MERN stack, Tailwind CSS, and Cloudinary that provides coding resources, roadmaps, hackathon tools, and a Hackmate feature to foster collaboration in the tech community.

BondBase - Real-time social networking
A real-time social media platform built with MERN stack, Tailwind CSS, Socket.IO, and Cloudinary, enabling users to post, chat, and interact seamlessly with a modern UI/UX.

CityFix - Civic issue reporting and tracking system
A civic issue reporting platform built with MERN stack, Tailwind CSS, Socket.IO, and ImageKit, allowing users to report city problems, track progress, and communicate with authorities in real-time.

Library Management System
A C-based project designed to streamline library operations, managing books and users efficiently through a simple and functional interface.

ACHIEVEMENTS

Secured 3rd position in CBS Codefest 1.0 at SSCBS, showcasing strong programming.
Certificate

Participated in the Code Clash 2.0 Hackathon as a member of Team Error 404.
Certificate
